

St. Mary's – what do you think?

PRE-APCM QUESTIONNAIRE 2018

Thank you for participating in this survey.

Two years ago, we agreed that the PCC should seek feedback annually before each APCM. The responses each year have helped us shape life at St. Mary's and address issues of concern. This year, as there are already a number of initiatives in progress, that have come out of previous feedback as well as from elsewhere, the scope of the questions has been deliberately kept smaller. There are just two questions, one about the pew paper and the other about the APCM brochure. The questionnaire also provides the opportunity for you to list any questions or comments you would like to put to the APCM, and to comment on anything else of concern. Please feel free to provide as much or as little information as you like.

The responses are collected anonymously, but you can provide your name on the last page if you would like to. This will be essential if you would like personal answers to any questions you have raised.

The deadline for responding is **Sunday 22nd April**.

Please place your completed questionnaire in the collection box in church. A pdf of the questionnaire is also available on the website and via Facebook. Completed forms may also be handed to Alan, delivered to 74 London Lane or emailed to agkeeler@tiscali.co.uk.

The responses will be collated by the ministry team. APCM related feedback will be covered at the APCM. All other feedback will be presented to the PCC in May and June, and then shared with the congregation.

Thank you again for your response last year. The PCC looks forward to receiving and responding to your feedback this year.
