St Mary's Church is situated in College Road, in an area of Bromley formerly referred to as Plaistow. It is part of the Diocese of Rochester within the Church of England. The correspondence address is The Parish Office, 61 College Road, Bromley, BR1 3QG.

The Parochial Church Council (P.C.C.) is a corporate body established by the Church of England. The PCC operates under the Parochial Church Council Powers Measure. The PCC is registered with the Charity Commission as charity number 1132142.

Objectives

St. Mary's P.C.C. has the responsibility of co-operating with the Vicar, Revd. Alan Keeler, in promoting in the ecclesiastical parish the whole mission of the Church: pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for St. Mary's Church House and Hall (61 College Road) and 31 Fairfield Road.

P.C.C. Membership

Members of the PCC are ex-officio, co-opted or elected by the Annual Parochial Church Meeting (A.P.C.M.) in accordance with the Church Representation Rules.

Finance and General Purpose: this oversees the general finances, maintenance and other operational needs of St. Mary's, by monitoring income and expenditure, budgeting and co-ordinating the review of Christian giving.

In addition to the above, various working parties are set up to implement strategy and action agreed by the PCC.

Church Attendance

There were 79 people on the electoral roll at April 2019. The usual Sunday attendance in October 2019 was 72 adults and 14 children.

Review of the Year

St. Mary's has a lively congregational life expressed in a central tradition. The congregation has a great variety of people and interests. There are many ways in which people express their worship and service. There is an enthusiastic choir, Sunday Clubs, Bible study groups, Mothers' Union and musical events. The halls provide a venue for many activities including uniformed organisations and a playgroup. They are also a valuable source of income.

In the year there were four baptisms, three weddings and eleven funerals, six in the church building. No people were confirmed. Five children were admitted to Holy Communion.

In January we said goodbye to Ruth Peet and wished her well with her first incumbency at Aylesford. The Grace Café launched in the previous November continued strongly through the year. The lighting project moved to the installation phase in the Autumn and was completed for Christmas. In the Summer and early Autumn there were several work parties arranged to clear the churchyard. These were a part of our work to promote environmental issues. Following a PCC Awayday in July the Autumn began our thinking about how to grow as a church. The Diocese of Rochester have an initiative named Called To Grow and there is a challenge for St. Mary's to develop patterns of life and ministry that enable us to flourish in new ways.

St. Mary's Financial Strategy

The accounts of a church can be daunting to read. But the detail expresses the basic shape of money that is received and money that is spent. As a principle a church should be managed to enable its mission to be effective. The key financial activity is wise expenditure and having strategic savings. It is about using money so that the life of the church flourishes for the glory of God.

St. Mary's spends money in a variety of ways:

To the Diocese of Rochester:

This pays for the diocese, the national church and clergy training

It pays the stipends of the clergy

There is payment for ministry:

The life of worship and music

Youth work

Administrative staff

The running and repairs of:
The church building
Church House
31 Fairfield Road
Supporting mission agencies

St. Mary's receives money in a variety of ways

From the giving of the congregation
Planned giving
Gift Aid
Legacies
Collections in the services
Fees for certain services and activities
Money raised from our assets
The activities of Church House
The rent from 31 Fairfield Road
Interest on investments

St. Mary's saves money in a variety of ways

Money put aside for the quinquennial repairs to the building
Moneys given for specific purposes e.g.
The Knight bequest for the roof
The organ fund
The Margaret Turner Fund for missionary outreach and spiritual education
Moneys given for specific projects e.g.
The Lighting Project
Moneys held for ongoing ministry e.g.
BATS
Christmas Journey

Put in this way the giving of the congregation is part of enabling the work of the church to be vibrant. How we give and how we spend is about seeing the Christian faith prosper in our congregation and community. So when we talk about stewardship it is not about just making ends meet but enabling our vision of serving God to be enabled. The big picture is about seeing our church grow in faith, in service and in numbers. Our money is part of that vision.

Financial Review

The Stewardship Campaign held in September 2018 ensured that the total given to the Church general funds by the congregation in 2019 was slightly more than that in 2018. The income derived from Investments & Church Activities, including the use of the House & Hall complex, also showed a small increase. A further generous unrestricted legacy and enthusiastic tax-efficient contributions made to the Lighting Appeal meant that income overall increased by about £4,500. However, the general overheads of running the church continued to exceed income, and there was an overall reduction in reserves of nearly £36,000 following last year's reduction by £48,000. Predictions for 2020 indicate that the remaining available unrestricted reserves are likely to be inadequate to meet the shortfall without further intervention. Various concerns about the building also look likely to lead to further high expenditure. Church members are again thanked for their support and commitment; and for their giving in practical as well as financial terms. It is noted that in addition to the away-giving shown, the congregation again raised money for Christian Aid week and for other causes such as the Mothers' Union charities.

Reserves and investment policy

The PCC needs reserves to enable it to progress its work and to protect its current activities, in order to allow the PCC to meet its responsibilities and to ensure that it continues to operate on a going concern basis. The PCC has examined the needs, risks and challenges faced in both the short and medium term and has formulated a policy to meet those needs, which are satisfied by the level of reserves at the balance sheet date.

The current level of free reserves represents 4 months expenditure. The PCC's policy is to have between 6 months and 12 months expenditure held in reserve. The PCC, through the Finance and General Purposes Committee, regularly monitors the position.

It is our strategy to invest our funds balances with the CBF Church of England Deposit Fund; National Savings and Investments and National Westminster Bank.

Risk Management

During the year we continued the programme of identifying the major risks which impact the work of the church in the parish. DBS checks were kept up to date, and all church members were urged to keep abreast of the latest guidance on safeguarding and GDPR. The fire extinguishers were replaced, and checks were carried out on the lightning conductor and on the small electrical appliances used throughout the church complex. The completion of the Lighting Project included further electrical safety tests, the provision of more reliable power to the refreshment area, and lighting units which will last for longer before needing attention. Unstable flagstones in the church were levelled. The state of the church roof was monitored and missing slates replaced. Advice from the Diocese was sought about the best ways to improve the church's finances, and extra meetings were held to discuss this. The church properties are all let through agents, providing a reliable source of income.

The Report of the P.C.C. has been prepared in accordance with Financial Reporting Standard 102 (effective January 2016).

Approved (electronically) by the PCC on 4th June 2020 and signed on their behalf by Alan Keeler (Chairman)

Notes to the Financial Statements

1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Church Accounting Regulations 2006, the Financial Reporting Standard 102 and the Charities SORP.

The financial statements have been prepared under the historical cost convention except for the valuation of non-property investment assets, which are shown at market value.

The financial statements are the consolidation of all the activities of St. Mary's including House & Hall.

Funds

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

These accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another church body nor those that are informal gatherings of Church members.

Incoming resources

Voluntary income and capital sources

Collections are recognised when received by or on behalf of the PCC.

Planned giving receivable under Gift Aid is recognised only when received.

Income tax recoverable on Gift Aid donations is recognised when the donations are received.

Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement and the amount.

Funds raised by fete, garden party and similar events are accounted for net as expenses are not significant.

Sales of books and magazines from the church bookstall are accounted for gross.

Other ordinary income

Rental income from the letting of church premises is normally recognised when the rental is due.

Income from investments

Dividends and interest are accounted for when receivable and are all received gross (before tax).

Gains and losses on investments

Realised gains or losses are recognised when investments are sold.

Unrealised gains or losses are accounted for on revaluation of investments at 31 December.

Resources Expended

Grants

Grants or donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

Activities directly relating to the work of the Church

The Diocesan Offer is accounted for when payable. None remains unpaid at 31 December.

Fixed Assets

Consecrated land and buildings and movable church furnishings

Consecrated and benefited property is excluded from the accounts by S. 96(2)(a) of the Charities Act 1993. No value is placed on movable church furnishings held by the churchwardens on special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property. All expenditure incurred during the year on consecrated or benefice buildings and movable church furnishings, whether maintenance or improvement, is written off as expenditure and separately disclosed.

Depreciation on fixed asset properties has not been provided in these accounts as any charge is considered to be not material, on the basis that the asset has either a very long useful life; or a residual value, based on its current value, which is not materially different from its carrying value.

The Church building and contents are currently insured for £14,040,000. The corresponding figures for House and Hall are £2,843,532 and £62,041.

Other fixtures, fittings and office equipment

Equipment used within the church premises is depreciated on a straight line basis over 4 years. Individual items of equipment with a purchase price of £2,000 or less are written off when the asset is acquired.

Investments

Investments in shares are shown at market value at 31 December.

Other land and buildings

The PCC owns a half share in the freehold interest in 31 Fairfield Road. This was previously the curate's house but is now rented to provide an investment income. The remaining share is owned by the Diocese of Rochester. The value shown represents the original purchase price paid by the parish. The property is shown at cost and no depreciation has been provided. It is currently insured for £414,584.

Current assets

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors. No provision is considered necessary for amounts that may prove uncollectable. Short term deposits are held on deposit with the National Savings Bank, the Central Board of Finance of the Church of England or the PCC's bankers.

Independent Examiner's Report to the PCC of St Mary's, Plaistow, College Road, Bromley BR1 3QG

I report to the PCC on the examination of the accounts of the PCC for the year ended 31 December 2019.

Responsibilities and Basis of the Report

As members of the PCC you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act') and the Church Accounting Regulations 2006.

I report in respect of my examination of the PCC accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act, and also those found in Church guidance 2017 edition.

Independent Examiner's Statement

I have completed my examination and confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act;
- 2 the accounts do not accord with those records;
- 3 the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this respect in order to enable a proper understanding of the accounts to be reached.

Yours faithfully
