

of St. Mary Bromley

Jesus said 'Therefore, keep awake for you do not know when the master of the house will come, in the evening, or at midnight, or at cockcrow, or at dawn.'

Mark 13.35

Jesus has a vigorous view of the Christian life. He wants the goodness of God to be in our lives and from us for the world to know his goodness. Yes there is a time for rest, he took his disciples away from the crowds from time to time for refreshment. But he wants us to be alert to the needs and opportunities around us now.

This Sunday we will welcome Henry Musson for his baptism along with parents Ben and Claire and godparents Joseph, Eleanor, Barry, Katie and Jamie

Starter Packs

Anne Horner-Tree of St. Peter and St Paul's church produces packs of utensils and domestic goods to support people who are beginning independent living. She is asking for help with toiletries. In St. Mary's church there will be some bags with tags to identify the goods to be supplied. There are three kinds, one for men, one for ladies and one for cleaning. Please think about taking one of these, supplying the items and returning the bag to St. Mary's. It will be wonderful if in December we can have filled all of the bags we have been given. For more about Starter Packs see <https://www.bromleyparishchurch.org/starterpacks>

Live Stream Operators

You may notice some new faces on the Livestream desk in the next few weeks. When Gill and Alan retire we will be relying on just a few (3) volunteers and we do need a few more to be confident that we can continue to provide a reliable Livestream option. Take advantage of training available and help to learn a new skill. Let Alan or a Churchwarden know if you are ready for the challenge.

Service Assistants

There is a long tradition of people welcoming worshippers to services and dealing with practicalities in preparing for the service. The position has been called Sidesman. We are grateful for so many people who have done this role over the years. The Church Wardens are now looking to reestablish this position. We would now like them to be called Service Assistants, a term which is inclusive of male and female. We hope you will understand this and support the change. There will be a sheet on the back table for people to sign up and there will be preparation events to explain what is involved. Please do think about continuing what you have been doing or joining this important role.
